

In memory of my little brother

Ashton .xx

One day a girl was sitting in her living room when her mum said “ I am going to have a baby boy”

The little girl was so happy she jumped up and down and promised to look after it when he was born.

The next day early in the morning an ambulance was parked out side her house she ran down stairs and found her mum being taken into hospital.

She was taken to her grandmas house she was very confused because she was only 7 years old, her grandma said not to keep her hopes up but she didn't listen. The day after that she was taken to her friends house to sleep the night and in the morning the phone went , her friend answered it.

Her friend told her that the hospital said that the baby was

born. but he wasn't and soon later she went to the hospital and found her little brother lying still in a basket. Rest in peace
